

PRODUCT DATA SHEET

ZAR® DECK AND SIDING CLEANER

DESCRIPTION

ZAR Deck & Siding Cleaner restores weathered wood to its natural beauty. Gray and weathered decks and siding come clean and look new with ZAR Deck & Siding Cleaner. The product removes mildew, algae, dirt and stains and restores fresh, clean wood tones. ZAR Deck & Siding Cleaner can be used to prepare surfaces before applying ZAR Deck & Siding Stain, or other exterior stains and finishes.

TOOLS NEEDED

Rubber gloves, a clean plastic or metal pail, a stiff brush and a stirring paddle.

MIXING

Add 1 cup of ZAR Deck & Siding Cleaner to 1 gallon of hot water.

APPLICATION

Apply hot solution liberally and allow it to stand for 5 to 10 minutes. Scrub vigorously with a stiff brush.

Rinse well with clean water and reapply ZAR Deck & Siding Cleaner as necessary.

CLEAN-UP

Clean tools and pail with warm soapy water.

COVERAGE

Up to 622 square feet per 32 oz. container.

TECHNICAL DATA

Contains sodium metasilicate, sodium sesquicarbonate, sodium perborate and sodium carbonate.
% Non-Volatile by Weight-100
% Non-Volatile by Volume-100

NOTE

Certain woods have a natural tendency to darken. To lighten, after removing dirt, mildew, etc. with ZAR Deck & Siding Cleaner, treat with 5% solution of oxalic acid in water.

CONTAINS

Sodium metasilicate, sodium sesquicarbonate, sodium perborate and sodium carbonate.

CAUTION

Do not breathe dust. Do not get in eyes, on skin or clothing. Wash thoroughly after handling. Wear rubber gloves and eye protection. In case of skin or eye contact, immediately flush eyes and skin with plenty of water for at least fifteen (15) minutes and get medical attention. If inhaled, remove to fresh air, get medical attention. If swallowed, do not induce vomiting. Give large quantities of water if conscious. Call a physician immediately.

Use with adequate ventilation.
KEEP OUT OF REACH OF CHILDREN.
