SHINING STAR LEARNING CENTER DAYCARE

FOND DU LAC, WISCONSIN

After the old carpet was pulled up, the floor was scraped and ground.

DRYLOK®

- They used DRYLOK® E1 1-Part Epoxy Floor Paint 28413 tint base. Each wing or age-specific area was coated in a different, fun, custom-tinted color. The total surface coverage was estimated at 15,000 sq. ft.

DRYLOK®

After the second coat, third-party decorative flakes were added to the surface.

To seal them in, we recommended using either DRYLOK® Concrete Protector with SaltLok® Technology or DRYLOK® WetLook High Gloss Sealer. Adding a sealer will make cleaning easier and create more sheen, without making it slippery.
